

Raíces Del Saber Xinachtli Community School- Return to School Planning - 2020-2021

Raíces Del Saber Xinachtli Community School is proactively looking at the return to school plans for the fall of the 2020-2021 school year. We recognize that we don't know yet what impact Covid-19 will have on plans for returning students to buildings. We have put together the three plan options below and are preparing to implement one or all of them as the situation unfolds. As a community, we need to wrap our minds around flexibly being able to toggle between these plans as the situation changes.

<p>Remote Learning Plan Parent Option or As required by local/site conditions</p>	<p>Aligns with CDC <u>Lowest Risk</u> Designation</p>	<p>Group Size/Social Distancing Guidelines</p> <ul style="list-style-type: none"> Remote Learning Only - N/A <p>Educational Delivery Details</p> <ul style="list-style-type: none"> A blended model of synchronous and asynchronous learning All remote learning <p>Synchronous = Synchronous learning refers to a learning event in which a group of students are engaging in learning <u>at the same time</u>, online or in person.</p> <p>Asynchronous = Asynchronous learning is the idea that students learn the same material <u>at different times</u> and locations</p>	<p>This plan could be used for the following scenarios:</p> <ul style="list-style-type: none"> Students who are medically fragile Families who don't want their children to return to buildings - Parent Choice Phasing and disease spread requires remote learning only to the specific classroom affected.
<p>Hybrid Learning Plan</p>	<p>Aligns with CDC <u>More Risk</u> Designation</p>	<p>Group Size/Social Distancing Guidelines</p> <ul style="list-style-type: none"> Approx. 10 students in a room Maintain 6 feet apart as feasible <p>School Schedule Details</p> <ul style="list-style-type: none"> All students K-2 in the buildings roughly 50% of the week <p>Educational Delivery Details</p> <ul style="list-style-type: none"> A blended model of synchronous and asynchronous learning A blended model of face-to-face and remote learning <p>Synchronous = Synchronous learning refers to a learning event in which a group of students are engaging in learning <u>at the same time</u>, online or in person.</p> <p>Asynchronous = Asynchronous learning is the idea that students learn the same material <u>at different times</u> and locations</p>	<p>This plan is designed to do the following:</p> <ul style="list-style-type: none"> Reduce the numbers of students and staff in the building and in enclosed spaces Reduces the footprint of groups of students to their classroom and few other spaces Allows for deep cleaning of the building on Wednesdays between groups of students. Students who are not in the building access school via synchronous/asynchronous remote learning Four-day school week for all students
<p>Traditional In-Person Learning Plan</p>	<p>Aligns with CDC <u>Highest Risk</u> Designation</p>	<p>Group Size/Social Distancing Guidelines</p> <ul style="list-style-type: none"> Limit large group mass gathering Social distancing encouraged as feasible <p>School Schedule Details</p> <ul style="list-style-type: none"> All students K-2 in the buildings five days a week Typical K-2 school schedules <p>Educational Delivery Details</p> <ul style="list-style-type: none"> All synchronous learning All face-to-face learning 	<p>This plan is designed to do the following:</p> <p>This plan very much looks like school prior to Covid-19 with a limit on large group gatherings and an awareness of social distancing. K-2, this would impact how we do lunch and recess.</p>

All on-site plans above include increased handwashing, sanitizing of surfaces, and potential for student/staff PPE equipment
