

RAICES DEL SABER XINACHTLI COMMUNITY SCHOOL

Raíces del Saber Xinachtli Community School

Seeking Applicants for Staff Positions for 2020-2021 School Year, Immediately!

Kindergarten and 2nd grade Teachers

Raíces is a Dual Language K-5 public charter school open to any student residing in New Mexico.

The Raíces curriculum is uniquely designed to address the needs of students in borderland communities. Through a Mesoamerican enrichment curriculum known as Xinachtli, students will learn to explore, investigate, and participate in constructing knowledge as well as develop, at an early age, important numeracy and science concepts, language skills, cultural oral traditions, and community building skills. Parents will participate as partners in creating a learning community where students and parents are valued as participants in the construction of knowledge and the learning environment.

Raíces implements a 90:10 two-way dual language immersion approach beginning in kindergarten. This model will provide a gradual learning process of English and Spanish that leads to high level of proficiency in other subjects such as Math, Science, and Social Studies. By the end of fourth grade students will become fully bilingual and biliterate. Each Student will form a positive identity through discovering and critically thinking about who they are in relationship to parents, neighborhood, community, ethnic group, and their unique personality.

The school is now seeking applicants for the following positions: Kindergarten and 2nd grade teachers, and a special education teacher and reading interventionist. Apply immediately if you are interested in working in a unique learning community where you will receive the following benefits:

- ❖ Extensive professional development opportunities,
- ❖ Opportunity to implement a unique educational framework,
- ❖ Opportunity to work with parents as partners in this unique learning environment,
- ❖ Competitive salary and benefits with other area public schools.

All applicants must be fluent in English and Spanish and once hired, will be supported in acquiring their TESOL certification.
